Dear Dave:

I just spoke with Mike Eckstein. It seems that he has been trying to contact you for a while and you have not returned his calls. He is quite displeased and has expressed that time is of essence and he needs to speak with you in order to evaluate your representation for the Voyager suit. He will be calling you at home this evening. If you will not be home please make sure you get in touch with him early tomorrow. It is my understanding that Britton gave you instructions to deal directly with Mike regarding this issue.

Sincerely,

Erin C. Pierce
